

Skagit County Vessel Turn-In Recycling Day

**Port of Skagit
End of July 2024**

You will be notified of date and location
after you have been pre-approved

RACHEL TERLEP / DNR

WHAT IS IT ABOUT?

It's a **FREE Vessel Turn-In event** hosted by the Skagit Marine Resources Committee, Swinomish Indian Tribal Community, Skagit County, Port of Skagit, La Conner Maritime Services, Northwest Straits Commission, and Washington Department of Natural Resources (DNR). The Vessel Turn-In Program (VTIP) is managed by the Department of Natural Resources (DNR) to help prevent boats from becoming derelict or abandoned and to keep pollution out of our marine habitats.

WHO CAN PARTICIPATE?

Participation is open to anyone who is a WA resident and has proof of ownership or the legal authority to dispose of the vessel.

HOW DO I REGISTER?

1. Fill out DNR's Vessel Turn-In application (see link at right) and get pre-approved **BEFORE June 24th, 2024**.
2. Email your completed application and photos of your vessel to: dvrp@dnr.wa.gov, include "Skagit Vessel Turn-In Event" in the subject line.
3. **Prior approval is required for this event.** Space will be limited and filled in the order applications are received and approved.

We will accept vessels 34 ft or less in length.

Vessels 35 ft or larger will be reviewed on a case by case basis. If you cannot drop off your vessel at the specified location, you are encouraged to apply and if approved, transport can be coordinated or DNR can add you to the list and coordinate alternative vessel turn-in options.
